EDUCATION

Meta Front-End Developer Certificate

// April 2023- June 2023

I have completed rigorous training designed for entry-level job readiness. 7 modules included topics like coding and building interactive web pages using HTML5, CSS, and JavaScript, learning to use React concerning Javascript libraries and frameworks, and Learning Bootstrap CSS Framework to create webpages and work with GitHub repositories and version control.

Google UX Design Certificate

// April 2022 - November 2022

Completed rigorous training designed for entry-level job readiness. 7 modules included topics like UX research fundamentals, inclusive design, low-fidelity, and high-fidelity prototypes, and tools like Figma and Adobe XD. Completed hands-on projects and **developed a portfolio** including 3 projects to get graduated

Universidad El Bosque University

// July 2018 - November 2018, Bogota, Colombia

Undergraduate Student of Industrial Design, I wasn't able to continue with my studies due to financial hardships

EXPERIENCE

Recruitment Specialist Virtual Latinos

// June 2023 - Currently Working, Remote

Provide assistance and management with data entry tasks including reviewing and qualifying job proposals for the Virtual Latinos community and following up with potential candidates

Mod contractor ModSquad

// November 2021- October 2022, Remote

Assist with different projects as a customer service representative or moderator. I've got the opportunity to work on projects from Rockstar, OwnWell, StoryWorth, and Microsoft Xbox

Customer Service Representative History

// January 2019 - June 2022, Bogota, Colombia

This paragraph resumes my customer service experience for the following companies: GSG Scotiabank, Concentrix-Capital One, Accedo-Best Buy, Besedo S.A, Robison Lemon Law and, Community Phone. Over 3 years of customer service, tech support, moderation, retention, engagement, and sales experience over different channels of communication (phone, chat, email, tickets)
